

Buying Salesforce is easy. Getting it working is simple.

Designed for growing small businesses that want enterprise-grade visibility without enterprise-grade complexity. The Rednellac 5-to-Live Process is a guided configuration program that gets your team live on Salesforce Sales or Service Cloud in under a week. Small businesses can have a live Salesforce environment, trained users, and data you can trust in 5 simple days.

5-to-Live Implementation Framework.

Day	Focus Area	What We Do	Outcome
Day 1 Foundation	Setup org, users, structure.	Apply Rednellac template.	Org ready with security.
Day 2 Data & Fields	Import contacts/leads.	Configure fields & stages.	Data migrated, layouts set.
Day 3 Dashboards	Build dashboards.	Reports by rep, pipeline, source.	Insights ready by Day 3.
Day 4 Automations	Automations.	Follow-up automation, lead assignment, flows, emails	Smart, workflows.
Day 5 Train & Launch	Walkthrough & handoff.	Train users, confirm adoption.	Live environment.

Support Options Should be Simple.

Plan	Details
5-to-Live	\$5,555 Cost certainty.
Live +	30-day optimization & adoption support.
Live Growth	Ongoing admin, reporting, and enhancement services.

Ready to Go 5-to-Live?

***Schedule your kickoff
and be live in 5 days.***
